FALL

On September 9, 1977 the class of '81 gathered in the cafeteria for an introduction to faculty and advisors. The greetings were given by the Principal Mr. Bergmann and fellow staff members. The rally squads combined their skills for the opening routine called friends. Gary Reichhold, President of Student Body, introduced the members of the Student Council.

The new students were divided into groups for the purpose of answering questions. After this session the groups were taken on a tour of the campus, which ended in the cafeteria for lunch. Soon after lunch, schedules were received and classes attended. The day ended at 2:00 pm with great

expectations.

The annual welcome dance was held on September 30, in the cafetorium. The dance was sponsored by the executive council for the purpose of introducing the Freshmen and new students into Marina's social events. The night's entertainment was provided by Destiny. The music started later than scheduled, but the evening was a success with approximately 375 people attending, and $200 raised for the General Fund.

When students were asked what they thought of the welcome dance, David Perry, Freshman, responded with, "It was alright. I'd like to see more dances. It was my first here at Marina and it was real good!" Lora Bertola, Junior said, "The band played some good songs, I had

a lot of fun!"

The 1977 Varsity Football Team headed by team captains Bob Matheny, Dave Albright, and Scott Herrling settled for a three way tie for second place with Castro Valley and Sunset.

As Scott Herrling stated at the end of the season, "I felt that the team had the talent and potential to take first place, but with too many mistakes in the wrong places, the team beat themselves."

Dave Albright felt that the Titans were actually a first place team this year, but were not able to put it all together at the right time. Even so, he felt that the team had a lot of fun trying.

Bob Matheny summarized the season by saying, "Although our league record was four wins and three losses, we had a much better team than our record shows."

Coach Piazza was really pleased with the outcome of the season. He pointed out that one has to be happy going into the last game of the season having a chance for the championship. All in all, he felt that the Titans proved to be very

strong.

At the beginning of the HAAL Varsity Football season, Marina was ranked number seven out of eight teams. Offended by this, the Titans set out to show their superiority. Although they tied for second place, they proved to be outstanding by having more players make all league than any other team in the HAAL.

Marina's offensive team, led by All-HAAL league players Mike Dutra, Steve Feick and Richard Mietz was successful by taking fourth place in league. The defensive unit showed its aggressiveness by placing second in league and capturing four all league positions. The players chosen for All-League were seniors Mike Dutra, Scott Herrling, Dave Albright, and Bob Matheny. Overall, the Titans had a successful season and even though they did not come out on top, they proved to be

awesome

5

The 1977 Junior Varsity Football team had a difficult season this year. They got off to a good start by defeating both Tennyson and Arroyo. They then lost their next five games, and finished the season in fifth place with two wins and five losses. Chuck Bookhammer led the offense at quarterback aided by the able running of Gilbert Mackoul and Ed Re. Coach Roberts stated that, "the offensive line improved steadily throughout the season and many of the players will be called upon to fill varsity positions next year." He also believes that the entire season was a good learning experience.

At the beginning of the season the Frosh Soph Football team was hopeful of having a successful season. Due to injuries and lack of experience the team ended the season with zero wins and seven losses. The team scored only twice, once against Castro Valley and once against Sunset. Steve Anderson carried the ball for both touchdowns. The team made both of their conversions ending the season with fourteen total points scored. Coach Gire and Versino worked the boys hard throughout the season and they gave it their best each game. Coach Gire commented, "much improvement was seen in the players that completed the season." All in all the team had a

tough season.

Have you ever worked hard for something and came out on top? This year's cheerleaders and songleaders can say they know that feeling. After a long hard summer, practicing endlessly, Oct. 15 finally came. This was the night of the 19th Annual Omega Kick off Rally. With 20 schools competing from all over the East Bay, the Rally was separated into two halves, with Marina in the second.

When our turn finally came, it was a very happy moment. Marina fans felt a great amount of pride for these girls, as they performed. A lot of work went into their routines and it was easy to see that they were headed for first.

When the time came to announce the winners, fingers were crossed and hopes were high, that Marina would take top honors, and they did. The cheerleaders won a first place trophy for their cheer "Attack", and, with combined scores of cheerleaders and songleaders, Marina was able to walk away with the #1 Sweepstakes trophy. This was the best ever done by Marina at

omega.

In the spirit of Competition, this year's go-cart race was held on October 19,1977. At the starting line it looked like a very close competition. After the gun was fired, the Junior push cart went only 10 feet, and then fell apart. The Seniors proved that they weren't clowning around in this event by pushing their cart to first. The Sophomore Safari went on to win a close second, the Freshmen Fighters battled to third, and the Juniors walked away with fourth place. But in the roller skating marathon the wheels were turned around. This was the third exciting event of Rally Week, in which four students from each class skated for a solid two hours. Finishing in first place was the Junior Royal Court with the Senior Circus close behind in second place. The Freshman Fighters fought for third, while the Sophomore Safari took fourth place with their **wheels rollin'.**

The powderpuff football games were a big kick-off this year. All four teams were ready to win. The girls, who participated, showed a tremendous amount of enthusiasm as they did their best. In action, the Freshmen came in fourth, losing to the Seniors in a championship game for third place. And the Juniors defeated the Sophomores 6-0, to take first place, leaving the Sophomores in second. From the results you can see it was a very

close competition.

October 21, marked the beginning of our annual Rally Day. The rally was a great success and each class showed spirit and Titan pride. Due to the usual inexperience of Freshmen, the Freshmen Fighters did their best taking fourth place. The Sophomore Safari, with colors of yellow and black, hunted out third place in the competition. Both classes seemed to enjoy the rally.

This year's Junior class was victorious once again during Rally Day, on October 21, 1977. It was a close competition between the Junior Royal Court and the Senior Circus. As the events went along, the Junior Royal Court galloped into first, over the Senior Circus. During half time, of the game against Sunset High, Spirit Queen and King were announced. Diantha Middleton became Spirit Queen, while Troy Bronstein took the honor of Spirit King. The other courts, chosen by their classes, were Deanne Dutra and John Sedari for the Freshmen, Virgina Crammer and Mike Casha for the Sophomores, Lora Bertola for the Juniors, and Gary Reichhold for the Seniors. All who attended had a **blast!**

The 1977 Girls' Tennis team, coached by Mrs. Battino, had a very successful season and placed second in the HAAL. This is the first year all-league players were selected for girls' sports. Liz Rocca, the number one netter and "Most Valuable" player for the Titans, and the outstanding first doubles team of Debbie Pope and Maria David-Malig were selected for the all-league team. Lynn James was chosen as the "Most Improved" player while Mary Lasack received the "Sportsmanship" award. Overall this season was

This year's Fall Play was a bit different than those in the past. Instead of a regular three-act play, they had several one-act scenes. A few of the scenes were known as "Childrens Hour", "Marty", and "House Party". "Childrens Hour" was about an all girls school facing problems as the girls aged. A fine performance was given by Carrie Wert, whose role was that of a bossy, problem child. While on the other hand Lora Bertola, Linda Firebaugh, and April Gibson, portrayed sweet, sincere, young girls. "Marty", was a well performed scene about a 27 year old man who was fat, ugly, and could never get a date. The part was well performed by Troy Bronstein and Missy Sawyer, who played his mother. Mike McCarty and Nyreen Faria also appeared in this scene. "House Party" was about a prostitute, played by Elsa Corral, who tried to accuse Phil Noel, who played a son of a rich father, of getting her pregnant. Great performances were given by both students.

This year's varsity volleyball team had an outstanding season. The team was made up of five returning varsity players and three girls from last year's JV team. Since the season was lengthened this year by playing each school twice, the girls had only three weeks of practice before their first league game against Tennyson. They defeated Tennyson soundly 15-4, 15-3. The team was on a four-game winning streak when they faced Arroyo. Arroyo defeated Marina in two close games. After this loss, the team was determined to come back and take first place. With determination and skill the team won their next seven games. The final showdown came on Nov. 3, at Arroyo High School. Once again Arroyo defeated Marina's girls clinching the league title. The team went on to finish the season with a twelve and two record. Even though the team did not go to North Coast, two of the eight members, Carrie Wert and Maricela Reyes were selected for the all league volleyball team. Ann Sullivan received honorable mention.

The JV volleyball team also did quite well this year. They lost only two games. The team avenged both losses in the second half defeating a previously unbeaten Mt. Eden team and overpowering Arroyo. Their final record was twelve wins and two losses.

Coach Birnell was aided by two former Marina students, Chris Chinn and Tami Costa. Because of the help from these additional coaches, the girls were able to develop greater co-ordination and skill. This superior skill led both of this year's volleyball teams to finish their respective seasons in

second place.

The Metropolitan Oakland International Airport was the scene for Operation Broken Oak. Operation Broken Oak was an emergency drill, given for the betterment of community emergency departments. An invitation was given by Jon Hall of the Alameda County Civil Defense, to Marina students 16 years and older to participate. Thirty-one students responded, and on December 3, they were bussed to the Oakland Airport at 8:00 a.m. The students were told to wear old clothing, because they were to be burned, ripped, and stained with artificial blood. The students were put on a DC-10 and a simulated fire was set. The students were asked to act ill, either having broken bones, internal bleeding, burns or surface lacerations. When some students were asked what they thought of the drill, most of them replied that they had enjoyed it, but that the drill itself was a failure. They felt this way because most of the critically ill were left to die, while the minor injuries were treated promptly. However, everyone involved agreed that it was a great

experience.

WINTER

The Marina soccer team showed great potential at the onset of the year by winning 2 of its 3 pre-season matches. Untimely penalties, goals, costly forfeits and unfortunate injuries played major roles in the teams 5-7-2 league record. The booters greatest day came when they tied the 1977-78 league champion Tennyson team 3-3 in a hard fought game on the Titan's field. The junior varsity team compiled a 4-4-6 record with the help of coach Chris Marston.

The backbone of the team was the play of forwards Alan Anderson (Honorable Mention HAAL), and Mark Checchi (2nd team HAAL), halfbacks Bob Roddick (Honorable Mention HAAL), Jouni Summanen and Jurgen Raum (1st team HAAL), fullbacks Milt Checchi (2nd team HAAL), Dave Albright, Dave Baker (Most Improved) and goalie Tyrone Thomas (2nd team HAAL). All in all, the team had a good season, considering that it had to overcome much

adversity.

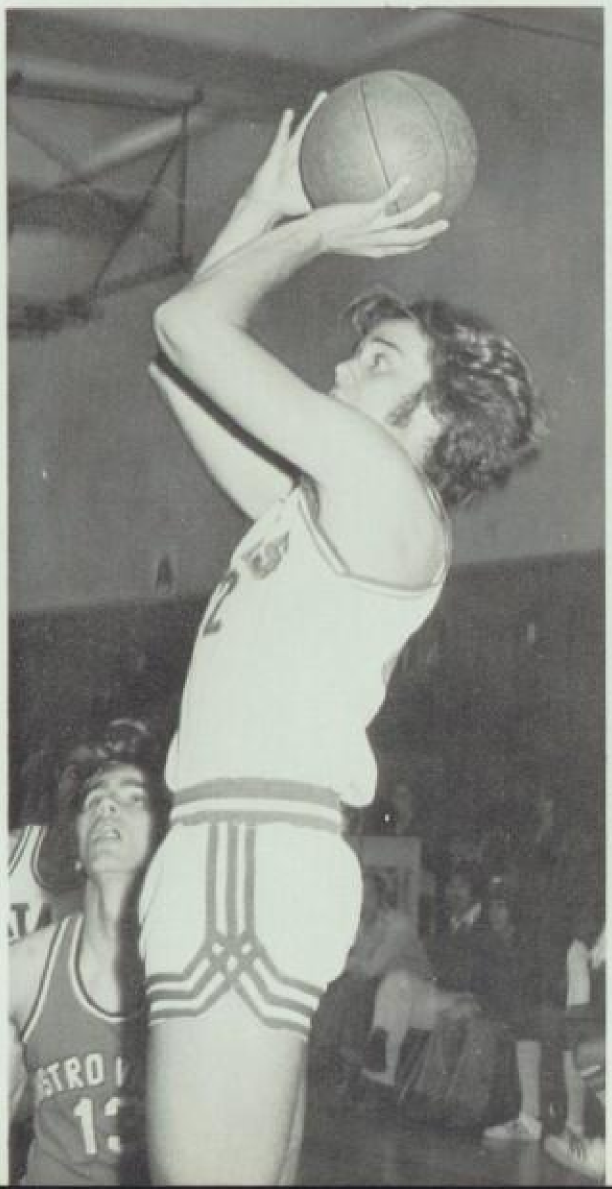
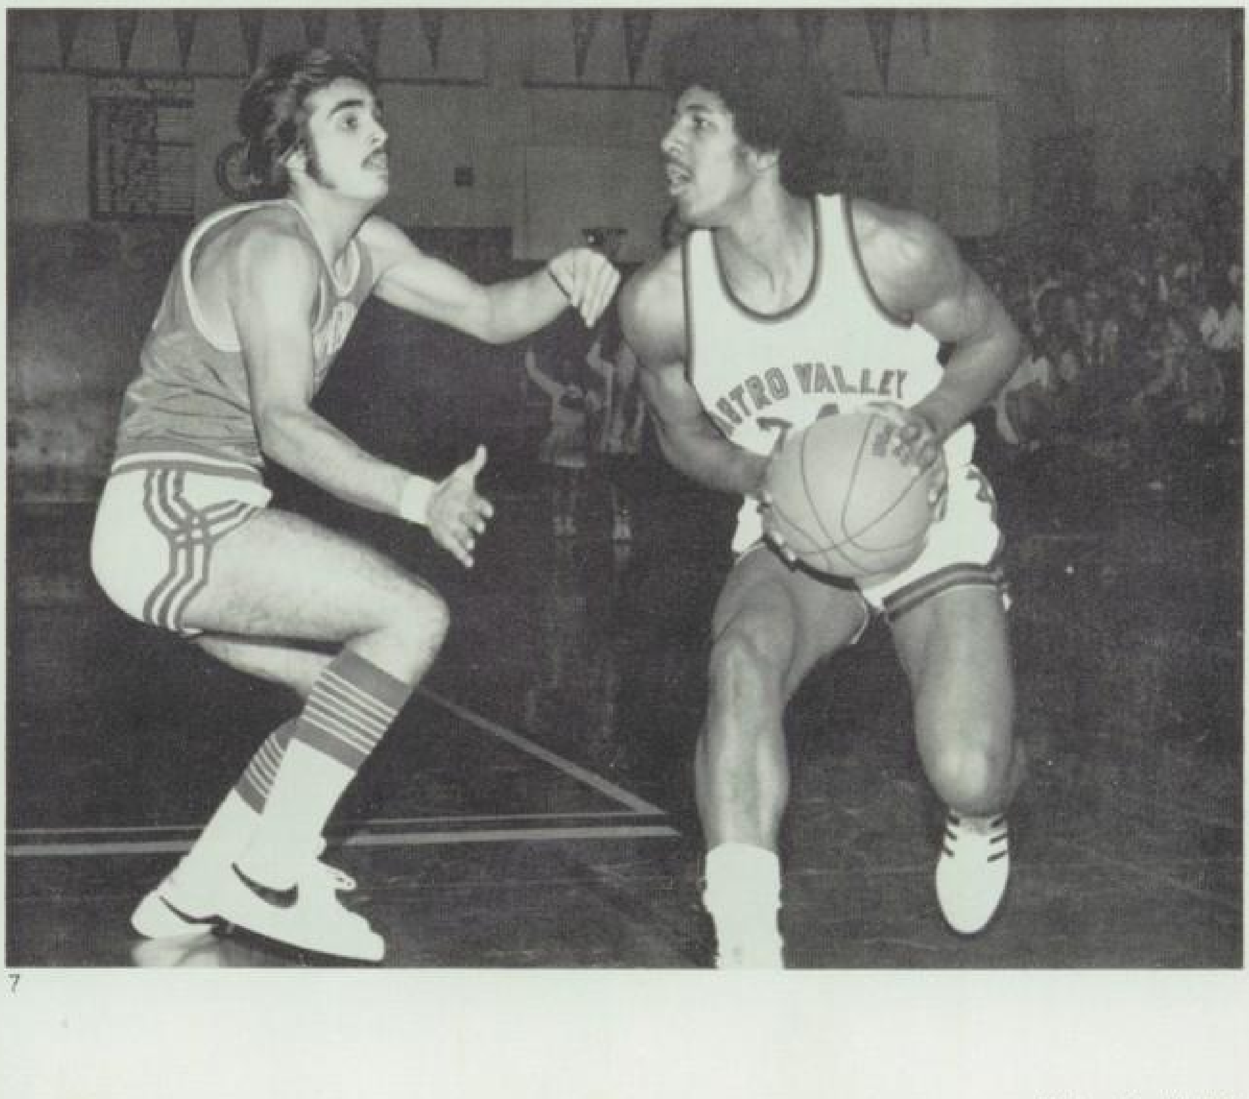
With two returning all-league players, this year's basketball team looked promising at the outset of the season. In the pre-season San Leandro classic, Marina lost two tough games to Alameda and Arroyo and defeated San Leandro in a close game of 59-57. In the second week of December, the team traveled to Pacific Grove to participate in a tournament there. Marina lost their first game to Carmel, 57-63; and then defeated Robert Louis Stevenson and Sunset the following two two days in order to capture the third place consolation award. The league season went poorly, with the team winning only three games. Sunset was defeated twice in two close games 54-52 and 56-55. The most exciting game of the season was played on February 7, at San Lorenzo. In the final 30 seconds of the game Bob Matheny scored the basket to put Marina ahead. The final score was 51-48. Even though the team worked hard and dedicated themselves throughout the season, the final outcome was **disappointing.**



6



7

Coach Dominguez attributes this year's tough basketball season to a lack of height. Marina was the smallest team in the league; Jeff Perotti at 6'3", being the tallest player on the team. Danny Collins provided speed and alertness with a number of steals resulting in scoring lay-ups. The backbone of the team was the three returning Seniors, Roger Gallardo, Bob Matheny, and Doug Potestio. As tri-captains, these three players took the responsibility of leading the team. Roger Gallardo, playing both guard and forward, scored 237 points in 23 games. Three-year varsity player, Bob Matheny scored 331 points in 23 games and was the strongest rebounder on the team. He received an HAAL Honorable Mention, missing being chosen for the team by only one vote. Doug Potestio, the other three-year player on the team, led the team in scoring with 352 points in 23 games. He was the sixth highest scorer in the league. Doug was chosen for the HAAL All-League team for the second year in a row. The individual successes were not enough to insure

team success.

7

The Junior Varsity basketball team had difficulties from the beginning. Coach Dominguez was trying to coach both the JV and Varsity teams. All efforts to find a JV coach were fruitless and there was talk of disbanding the team. At this point Mr. Wilber volunteered to coach the team. He took over the team the day before the first league game. Led by the shooting of Brad Potestio and Mike Doyle the team had high hopes. Due to illness and injuries, they just couldn't put it all together. The entire team was never at any one practice or game, but still, the team hustled 100% throughout the season. In the San Lorenzo game, Marina began with six players suited up and finished with only four. The team finished the season having nothing but

bad luck.

This year's Frosh-Soph basketball team put forth a tremendous effort. Its record was 3-11 for the season. The team defeated Sunset twice and played its most impressive game at the beginning of the second half by defeating Tennyson. Leading rebounders were Steve Anderson, Terry Bickmore, and Ed Re. Mike Henriksen led the team at the free-throw line. As a whole, the team played 100% better the second half according to Coach Kucer. They never gave up, and throughout the season, the team kept its positive

attitude.

The 1977 Winter Music Concert was held on December 7. The performers were from the music department here at Marina. Miss Kramer did a fantastic job conducting. The entire show was enjoyable with Jean Stidham soloing, the jazz band performing and a violin as the highlights. To add some Christmas season cheer, the choir and band combined to perform some familiar Christmas songs. The concert showed a tremendous amount of talent, time, and patience to do it right. Those attending wanted to yell

Thirty-nine dedicated young athletes, nine supportive statisticians, an outstanding and enthusiastic assistant coach, John Sabenorio, and head coach, Tom Rosenthal, who was "proud to be associated with such a fine group of young adults," made up this year's wrestling program. Led by tri-captains Mike Dutra, Jerry Reyna, and Frank Robles, the varsity team amassed an over-all record of 9-1, and finished second in the final HAAL dual meet standings. With the help of North Coast Section qualifiers Ed Xavier, Fred Indalecio, Frank Robles, Mike Pauselius, Gilbert Mackoul, Steve Westeren, Rich Mietz, and Steve Feick, the Titans took a second at the HAAL league tournament on February 10, at Hayward High School. At the NCS Championships sophomore Rich Mietz placed an impressive fifth in the 178 pound class. Jerry Reyna, the NCS tournament favorite at 98 pounds, suffered a knee injury half way through the season that left the junior standout unable to finish the season. Even with injuries, starvation, and lengthy workouts, the team came through the season with total

dedication.

Dave Santos, Glen Smart, Mike Sobek, Stewart Westeren, and Scott Mossholder led the Junior Varsity wrestling team with consistent performances throughout the season. As HAAL dual meet champions and repeating as last year's tournament champions, the J.V. team ended the season with an outstanding overall record of 9-1. Showing the overall balance and strength of the Marina wrestling program the Frosh-Soph team placed second in the HAAL Novice Tournament. Throughout the season all three teams were exceptional

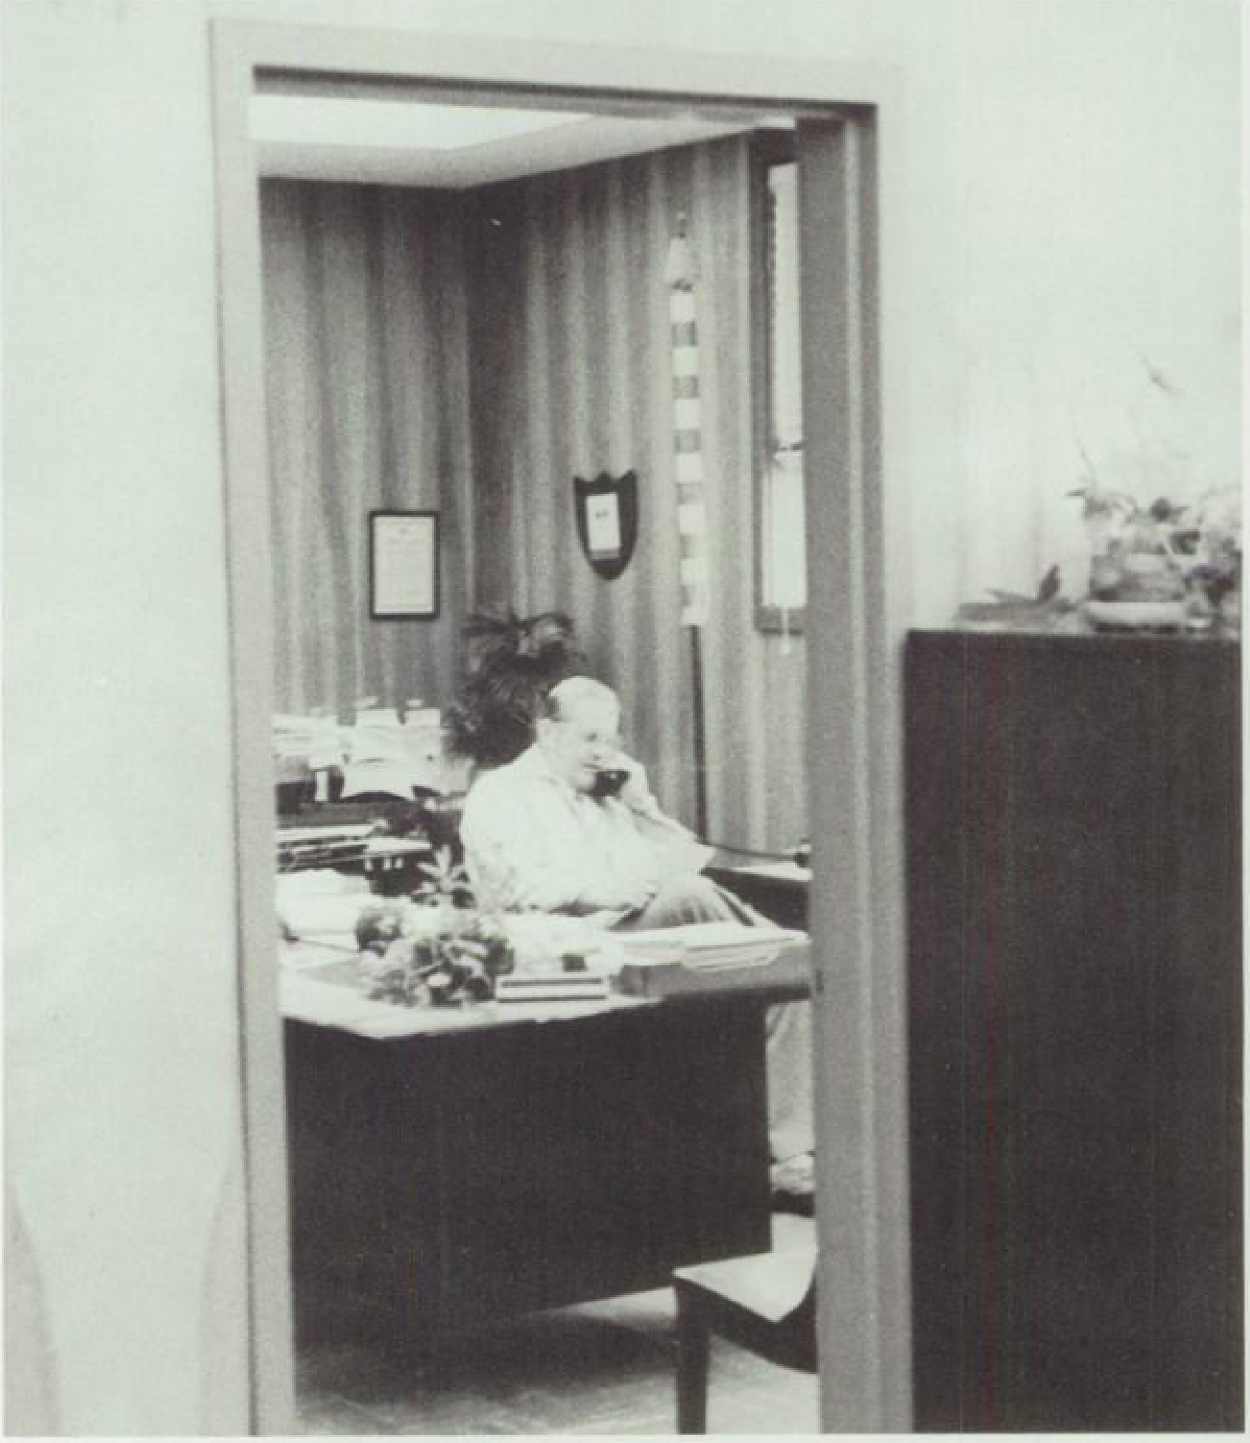
This has been an active year for Mr. Bergmann. He's been busy coaching Powder Puff football, and attending many school related meetings. He can be found at almost all the school functions put on during the year.

Mr. Bergmann has been at Marina for the past 11 years. He resides in Fremont with his pretty wife Laura.

Mr. Bergmann's secretary for the past four years has been Mrs. Jeanne Falco. With all the things Mr. Bergmann does, it sure qualified him to be called a great principal. Bergie makes the meaning of the word principal come

alive.



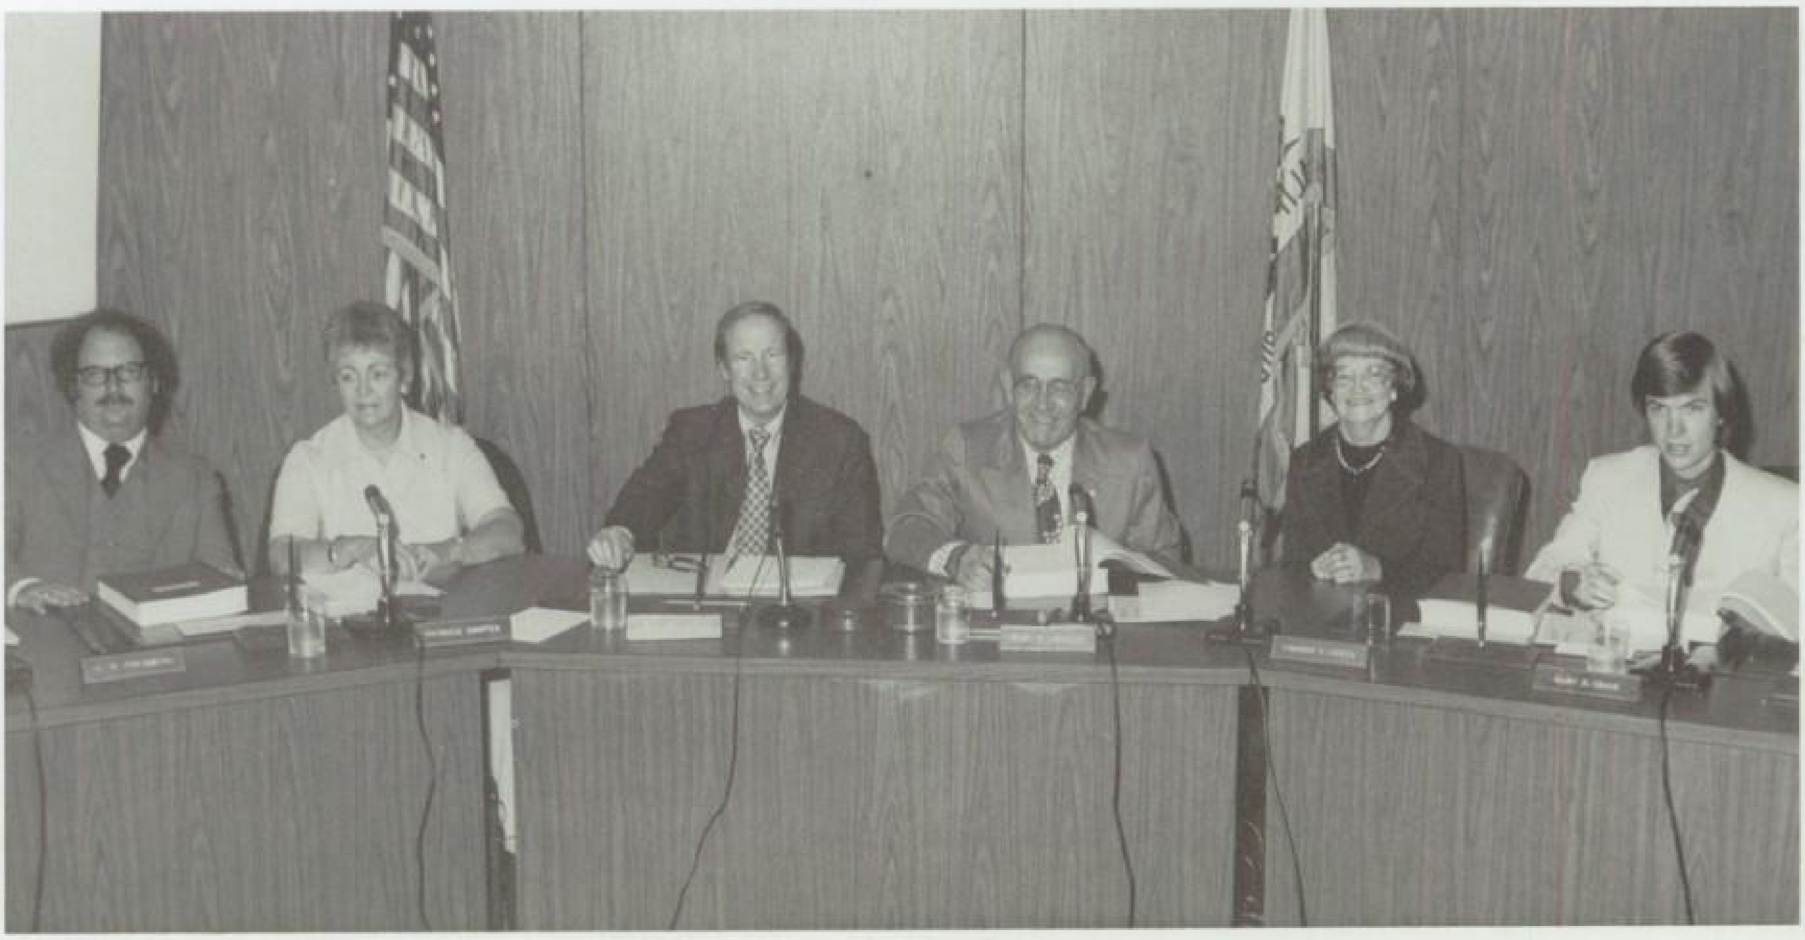
John H. Searle

This was Mr. Searle's 15th year at Marina. When asked what has kept him here so long, he said, "I like this school and I like what I'm doing." Mr. Searle feels there are no major behavior problems at Marina. He feels that Marina is the more conservative school in the district. Mr. Searle lives in Hayward with his lovely wife Opal.

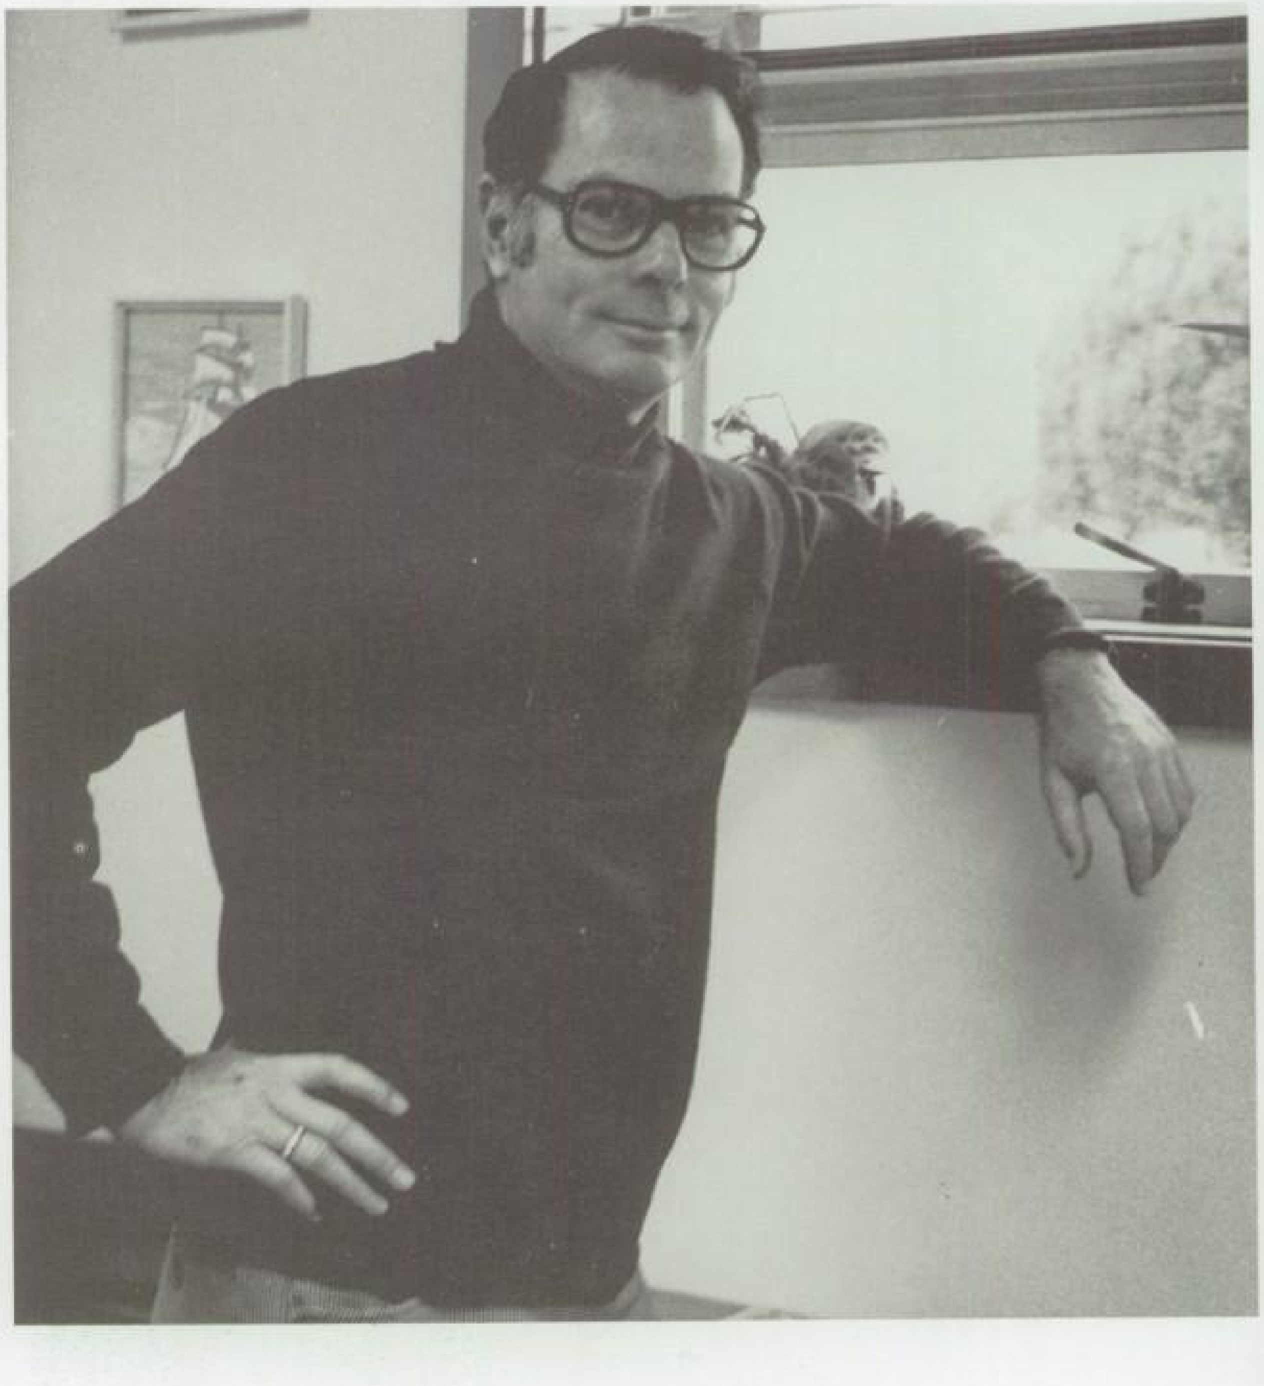
Mrs. Pauline Kinkade is Mr. Searle's secretary.

Miss Braden completed her third year here at Marina as assistant principal. She enjoys working here and thinks it is a super school. Before coming to Marina, Miss Braden was a teacher and counselor at San Lorenzo High School. Miss Braden presently resides in Hayward.

Mrs. Dolin is Miss Braden's secretary.



The Board of Trustees for the San Lorenzo School District this year consisted of Mrs. Pat Griffin, Superintendent William Dolph, Henry Lienlard, Mrs. Corrine Aitker, and Gary Craig who all did a fine job.



The Marina High School counselors under the leadership of Mr. Sousa did a great job this year. Mrs. Olsen, Mr. Finch and Mr. Holzen devoted a lot of time and energy in giving personal attention to each individual student. Students have a lot of important decisions to make, and counselors play a very important role in helping them to make the right

decision.

We at Marina are very lucky to have such a fantastic Cafeteria and Custodian Staff. We also have a great Specialty Staff, which helps the teachers. With the Cafeteria Staff dishing out delicious breakfast and lunches, and the Custodian Staff pushing those brooms and turning on those sprinklers, the students and the school were kept in top shape. We appreciate all of them and would like to give them all a special, "Thanks".

Volleyball Nights were held in February this year. These occasions were organized and publicized by the M Club. The participating 12 teams organized themselves, and each individual paid 75¢ to play. The evening was filled with exciting games, and each team eventually played all of the other teams. The winners won t-shirts with "The Champs", printed on the front. The winning team captains were Mark Checci, and Dana Chin. These evenings were a real

Presented by Executive Council, this year's Winter Ball was held January 27. This semi-formal dance was held in the cafeteria, from 9:00 p.m. to midnight. The Winter Ball committee did an outstanding job in decorating the room with hanging snowflakes and a mirror ball.

Back by request, the ever popular Fusion Band provided the evening with funk and disco hits. Overall, it was a very successful dance with 70 couples attending. It truly fit its theme,

Tom Mitchell, athletic director, opened this year's annual Winter Sports Awards with a summation of the winter season. The rally squad provided entertainment between presentations. Frosh and JV Basketball players were recognized first. Varsity Basketball was next. Doug Potestio was awarded the most valuable trophy, Mike Zemola received the most improved award and Roger Gallardo captured the sportsmanship trophy. Iris Pauselius (MVP), Janine Ezra (MI), and Mary Cherniss (Sport), took home the Girls' Basketball trophies. Soccer awards went to Tyrone Thomas (MVP), Dave Baker (MI), and Jurgen Raum (Sport). The wrestlers receiving awards were Frank Robles (MVP), Steve Feick (MI), and Rich Mietz (Sport). Even though every team did not bring home a championship, the entire season

The 50's was the the theme for this year's Spirit Day. The students body urged students to dress in the fashions of the fifties, and about 50 people did. The school day was split in half, with the Spirit Day activities in between. The activities included: tug-o-wars, the orange pass, and a concert by Papa Du Run Run. The tug-o-war was won by the Seniors, and the Sophomores were the fastest in the orange pass. Between games both Song and Cheerleaders did a 50's routine to "Chantilly Lace." Spirit Day was closed with Papa Du Run Run playing some Beach Boy favorites. It was the general feeling that Spirit Day was really

jumping!

The Varsity Cheerleaders for 1977-78 did an outstanding job of leading the Marina rooting section. Providing school spirit at games was not all they were known for. At this year's Omega Rally, which was held at the Neighborhood Church, Marinas Cheerleaders competed against 20 other squads and placed first. They also received many honors at the NCA Summer Cheerleading Camp.

To raise money for their uniforms they enthusiastically sold football pins and buttons along with mistletoe for the Christmas season. This year's Cheerleaders were truly a

spirited squad.

The 1978 Titan Letterleaders, JV Cheerleaders and Mascot did a great job cheering on the Titan teams. titan spirit.

SPRING

For something new this year, the band and choir started a Music Council, which consisted of managers Valerie Quintana, for band, and Becky Flemetis for the choir. They both worked together to raise money for this new club, by selling cheese and beefsticks, from which they made over $600. This money was used to buy more equipment and cover transportation costs.

The Music Club brought back the tradition of a marching band with Gary Hansen Drum Major. They also gave performances with the choir, in the Spring and Christmas concerts.

For the first time our band and choir competed in the California Music Educators Association, where they both did well. Marina is lucky to have a Music Club with so much

talent. 1

If you wanted to be kept informed of what's happening around campus or the community, where would you look to? Most Marina students would pick up a Thunderbolt.

The Titan Thunderbolt is Marina High School's very own newspaper. They have been in publication for 14 years, keeping Marina students up to date with social activities, sports events, and other important news stories. Published biweekly, the Thunderbolt has had its ups and downs. Although the T-Bolt has always had a tight budget, they always seem to be able to put out an outstanding newspaper.

Becky Harrison, a three year journalism student took over the reins as Editor-in-Chief. She attended a journalism seminar last summer in Santa Barbra and brought back many ideas to help improve the

thunderbolt.

The yearbook class took an hour off from their hard work to go and visit the McGonaghy Estate. As you can see our class explored the estate from top to bottom. This hour of peace was well deserved after the long hours spent in putting the 1977-78 yearbook together. But with good editors and a super advisor the work got done. It always seemed that deadlines came too fast and pictures weren't in or something needed to be typed but the class always seemed to be ready for anything and could handle everything with ease.

The publications class did its best to put out a good all-around

yearbook.

For a change of pace, this year MUN was going to attend Yale University for a Conference. But due to sudden snow storms in February the trip had to be changed. They finally decided to go to Washington D.C. and then tour New York in May. To raise money for this big trip the club had car washes, sold coupon books, had a ping pong marathon, and even sponsored a raffle. This helped to raise some of the money needed to go.

Even though MUN was disappointed about not being able to go to Yale, that soon disappeared as they toured the White House, Arlington Cemetery and the Capitol. Then they were off to the U.N. building in New York and even saw the broadway hit "Grease." The 13 students and Miss Hoetmer had an enjoyable time seeing the sites of our American Heritage.

Also being on the busy side this year was our new Tennis Club. First on their agenda was to improve our tennis courts. They did this by purchasing wind screens and had the walls painted. In the future they are hoping to get new nets. For the first year as a club they did a very good job.

The Student Senate was a little disappointing this year. It seems not many students wanted to run for the office. But with what they had SS did a fine job. They worked on projects such as trying to get a phone down by the Gym area and many other school improvements.

The students should give a big thanks to these and other clubs for all their hard work and their

achievements.

Instead of having two separate clubs, GAA and Block M merged due to title =9. Included in this law the girls now have the same opportunity in athletic achievement as the boys. This was a big change for both but seems to be working out fine. With the combined efforts, M Club was able to sale Community Sport, which features High School sports, both football and basketball programs to raise money for the club activities. Some of these activities were, Volleyball Nights, Donkey Basketball Games, and the Fall and Spring Sports Awards. M Club really made the Marina students get **out and active.**

After the Convention of 1977, Gary Reichold, Nancy Schweska, Shandra Gomes, Lora Bertola, and Karen Neilson were elected to Student body offices. These officers along with the rest of the Executive Council did a good job this year. They were busy planning motorcycle racks, a school sign, dances, and many more school activities plus the Second Annual Almost Anything Goes in which nine schools in and around our district participated.

For the first time, this year there was an Exchange Program with the San Leandro's student body officers. On February 17 they came to Marina to see what our school was really like. A tour was given to the visitors and a meeting was held to explain our school's government and procedures.

The Marina High Executive Council did a fine job this year by trying their

best.

There were four organizations that did a terrific job this year. Close up was fortunate in being able to go to Washington D.C. to get a close-up view of our country's government. They were there for a week and hardly had any time to sit around and relax with all the sight seeing and visiting of government offices they did. While listening to a report given by Renee Breshears it sounded like everyone who went learned a lot and had a great time.

While Close Up was learning about government, our Student Court Justices were busy watching out for Marina's. By up-dating some of the school's bi-laws, keeping order at the Convention and keeping an eye on students in government to make sure they are doing what they are supposed to be.

Also there are two other clubs that have had great success this past year. They are the CSF club known as the California Scholarship Federation, and Student Curriculum. When you join CSF you must have at least 10 out of 12 possible points, which means you have to have at least three A's and two B's (this excludes P.E.) to be a member. This helps out a lot because they are made aware of all the scholarships that are open to them. The Student Curriculum is responsible for the new classes and books around school and have been very successful in helping the students here.

These clubs did a good job this year and made it possible for students to become aware and

involved.

HAVE YOU
OT YOURS?

The senior class officers for this year were: President Lisette King, Vice-President Jeff Schultz, Treasurer Donna Morton, and Secretary Janet Bowen. They were responsible for various money raisers and together they planned senior activities. The class of '78 sponsored a dance, held a spaghetti dinner, sold spook-a-grams on Halloween, had a senior show and held a dime-a-spoon dinner to raise money for their treasury. They also organized senior activities such as Senior Sock Hat and Silence Day, Senior Slave Day and Disneyland, the senior picnic and the senior breakfast. This year's senior officers did a great job organizing everything for the

Jean Stidham, Valerie Quintana and Don Ewing all received their John Phillip Souza awards on April 19, at the annual Spring Concert.

The Spring Concert, organized and performed by the music department, featured the jazz band, choir and orchestra. Miss Kramer did another fantastic job conducting and performing.

The highlights of the evening consisted of the award presentation, the jazz band selection, "You Light Up My Life", sung by Fatima Da Rosa, and a terrific slide show.

The entire audience was thoroughly entertained. Nancy Schweska, Senior, said "It was great, they had an absolutely terrific slide show". Everyone thought the concert was

This year's Varsity Baseball team finished the season with a league record of 9-5 and an overall record of 17-8. Getting off to a good start, the Titans won 7 of their 9 pre-season games. The team played well by leading the league throughout the season and by winning 9 of its first 11 league games. With only three games left in the season, the Titans needed only one victory to clinch the title, but, with untimely mistakes and lack of luck, they were unable to do so by losing all three games. By placing second in league, the varsity baseball team participated in the HAAL Playoffs. In the first game, the team defeated Sunset 704, but was unable to hold up in the second game against Mt. Eden and lost 2-4. Although the team did not win the championship the season proved to be

satisfying.

There were four outstanding players among the talent on the Varsity Baseball team. These four players were selected for the HAAL All-League team. Gary Perras was chosen for all-league for his excellent pitching ability by winning 8 of his 10 games with an ERA of 1.68. Outfielders Dave Baker and Roger Gallardo were also selected for the all-league team. Dave led the team in runs scored with 18, most hits with 26, and he tied for most doubles with 4. Roger led the team in stolen bases with 7, and tied for most triples. Randy Negi tied for the team lead for most doubles and was chosen for all-league as an outstanding first baseman. Catcher, Mike Dutra, had the highest batting average on the team with .404 and led the team in RBI's with 18. Ernie Japec ranked second in batting with a .362 average and proved to be an outstanding infielder. Doug Potestio did a fine job at short stop as well as pitcher as he struck out a total of 78 batters. Coach Dunphy was pleased with this team's accomplishments.

The junior varsity baseball team started the season off on the right foot by winning all five pre-season games. When the league season began the team had high hopes. However, the HAAL teams proved tougher than those faced during pre-season games. The Titans played solid ball throughout the season finishing in 4th place with an 8-6 record. At the plate, the team was led by Brad Potestio who batted .347 for the season. Brad was followed closely by Rick Hurtado, who batted .343 and led the team with 23 hits and 20 RBI's. With an ERA of 1.83, the team's number one pitcher, Ken Carbonaro, ended the season with a 7-2 record. Throughout the season all players played

exceptional.

Winning only six games, the Frosh baseball team had a difficult season. Coached by Bill Versino, a graduate of Marina, the team came in 5th palce. Coach Versino's pitching staff was made up of starters Larry Perino and Chris Ernesto. Larry and Chris were backed by Steve Anderson and Kevin Ontai who did relief pitching for the Titans this year. In batting, Robbie Rogers led the team with a .323 average. Rogers, Ontai, and Anderson shared the top RBI spot with five each. Chris Ernesto proved to be the quickest around the bases with five stolen bases to his credit. Although their record didn't show it, the team had a great deal of

talent.

Marina's girls did well in basketball this year. Finishing the season with a 9-5 record, the girls secured 4th place and a play-off spot. With only one pre-season game behind them, Marina's girls opened the league season against Tennyson. Our inexperienced team lost 34-49. This loss fired-up the girls and they won their next five games. On Jan. 24, Marina played Mt. Eden for sole possession of first place, and lost. In the second half of the season Marina again lost to Tennyson. Sunset and Arroyo avenged their first round losses by defeating the Titans. Marina pulled through, securing a play-off berth, by defeating Mt. Eden on the Monarchs' home court to finish the league season.

In post-season action Marina was eliminated in a very exciting game against Tennyson. The final score of 41-47 did not reflect the closeness of the game that was won in the last minute when Tennyson rallied to break a 41-41 tie. Throughout the season, All-league Carrie Wert led the Titans in scoring. Guard Iris Pauselius earned the most valuable player award because of her speed and shooting ability. With consistent rebounding, Janine Ezra excelled on the boards and earned the Most Improved Trophy. Mary Cherniss won this year's Booster Club's Sportsmanship Trophy for her all-around team spirit. Sharon Carlos, all-league honorable mention Debbie Pope, and Linda Santi helped to round out the team. Coach Brouillette worked the girls throughout the season and was very proud of the teams

achievements.

March 30th was the date of the 1978 Solo Ensemble. The Solo Ensemble is an event where individual students are allowed to participate in a talent show, organized by Miss Kramer, head of the Music department.

The show was hosted by Gary Hansen and Becky Flementis. The acts included dancing by Tammi Paulikonis, a vocal solo by Valerie Quintana, a guitar solo by Monica Perras, a piano arrangement by Glen Quintana, a beautiful guitar and flute act by Jasmine Loh and Emile Blomme, and students from other schools accompanied Fred Zeglin with a clogging routine. Gary Hansen, the host, entertained us all with his hilarious comedy acts, including the piano piece "One minute and 15 seconds". The show was very entertaining, and the students showed great professionalism and superb talent. As an added treat this year, the organizers arranged an amazing visit by the hit rock band, KISS. The group's costumes were elaborate and very well made. Members of the group were Dan Ward, John Bayer, Tracy Rocha, and Mark Murphy. These boys spent between 6 and 7 months preparing for the show. The entire evening was a well organized

ensemble of solos.

The Titan golf team showed much improvement this year and proved to be very strong. Mary Enright, top-seeded for Marina, finished the season with a 39.8 average and was ranked fourth in league. Rick Montgomery completed the year with a 41.0 average and placed third in the HAAL Tournament to go on to North Coast. Due to an unfortunate accident in PE Rick was unable to participate in North Coast and was replaced by Mary Enright. The season proved to be very successful for the Titans who took third place with a record of 11-3 in league and an overall record of 17-6. Five of the seven members on the team finished in the top twenty in the HAAL. This year's golf team was most

impressive.

The tennis team had a frustrating season as it placed sixth in league with a 4-10 record. Members were able to capture a fourth place in the HAAL Tournament, however, and showed much improvement during the season. The team was led by Bob Kucer who has coached the tennis team for the last two years. The outstanding singles players were Dave Bell, Mark Murphy, Ken Milkent, Jurgen Raum, and Keith Burell. Tracy Rocha, Frank Carrera, Dan Ward, and Paul Carrera all played doubles. Despite the team's disappointing season, Coach Kucer was pleased with their **efforts.**

Winning only one of their first three games, this year's softball team members knew they would have to work hard if they wanted first place. Work hard they did. The team defeated Arroyo on April 6, and that started a nine game winning streak. During this time scores were high with 8 being a low score for Marina. Marina's winning streak was broken on May 9, when Mt. Eden held the girls to only three runs and managed to score five themselves in a hard fought game. The team went on to defeat San Lorenzo 17-13 for their final game of the season. Marina's 11-3 record won them first place and a trip to the North Coast Tournament. On May 19, at Patrick Gomer field on Hayward, the team defeated Presentation 9-4 playing excellent softball. The next day Marina faced a tough Irvington team and was soundly defeated. The girls had come a long way; six of the girls were selected on the HAAL all-league team; Ann Sullivan, Kim Matheny, and Carrie Wert, were unanimous choices. Other selections were Janine Ezra, Sharon Carlos, and Debbie Pope. Iris Pauselius was selected for the second team and Lynette Sharp received an honorable mention. The girls never let up during the season and deserved the title of HAAL league **champions.**

The badminton team was made up of twenty people of all shapes, sizes, and sex. Yes sex, for the first time badminton was co-educational. At the onset it was difficult to recruit male members for the team; but once the season got off the ground, the co-educational experiment worked fairly well. League competition was tough and the Titans ended the season with an 8-6 record, in third place, behind co-champions Arroyo and Mt. Eden, and second place San Lorenzo. The team was led by co-captains Maricela Reyes and Steve Feick, both playing first singles. Maricela had the best individual record on the team, finishing the season with only one loss. Behind her, at second singles, Linda Santi finished the season with an 11-3 record. Men's singles were very competitive and Marina's Steve Feick, Elliot Pereira and Troy Bronstein gave their all for the Titans throughout the season. In doubles action Merrie Jo De Silva and Melina Grigorian led the girls with eleven wins and three losses. Joy Conley and Alice Cruz did equally well at second doubles, also finishing with an 11-3 record. Men's doubles were weak but they were dedicated and showed improvement over the season. All of the mixed doubles teams were strong. Elliot Pereira and Maricela Reyes shared the first mixed spot with Steve Feick and Merrie Jo De Silva. John Gibson and Melina Grigorian held the best mixed doubles record of 10-3, playing second and third mixed throughout the season. The team had a lot of fun during the season and all of the members realized that badminton is not

for the birds.

The evening of the Spring Sports Awards promised to be a big event since both the Titan and Athena awards were to be presented. The spring sports honored were badminton, baseball, golf, softball, tennis, and track. Special award winners were as follows: Badminton; Maricela Reyes (Most Valuable Player), Alice Cruz (Sportsmanship), & Lynn James (Most improved). Baseball; Mike Dutra (MVP), Dave Baker (Sport), & Ernie Japec (MI). Golf; Mary Enright (MVP), Rick Montgomery (Sport), & Bob Weisenberger (MI). Softball; Ann Sullivan (MVP), Carrie Wert (Sport), & Debbie Pope (MI). Tennis; Mark Murphy (MVP), & Ken Milkent (Sport & MI). Track (boys); Jon Tannehill (MVP), Alan Anderson (Sport), & Ron Souza (MI). Track (girls); Debbie Quintana (MVP), Kathy Wong (Sport), & Lisa Ratto (MI). At the conclusion of the presentations, all who attended were proud of Marina's

athletes.

The 1978 Titan Award recipient was Mike Dutra. As all of the past winners of this award, Mike was not only an outstanding athlete, but also an outstanding citizen. During his four years at Marina, Mike participated in football, wrestling, and baseball. He was exceptional in all three sports. He proved to be a true

Titan.

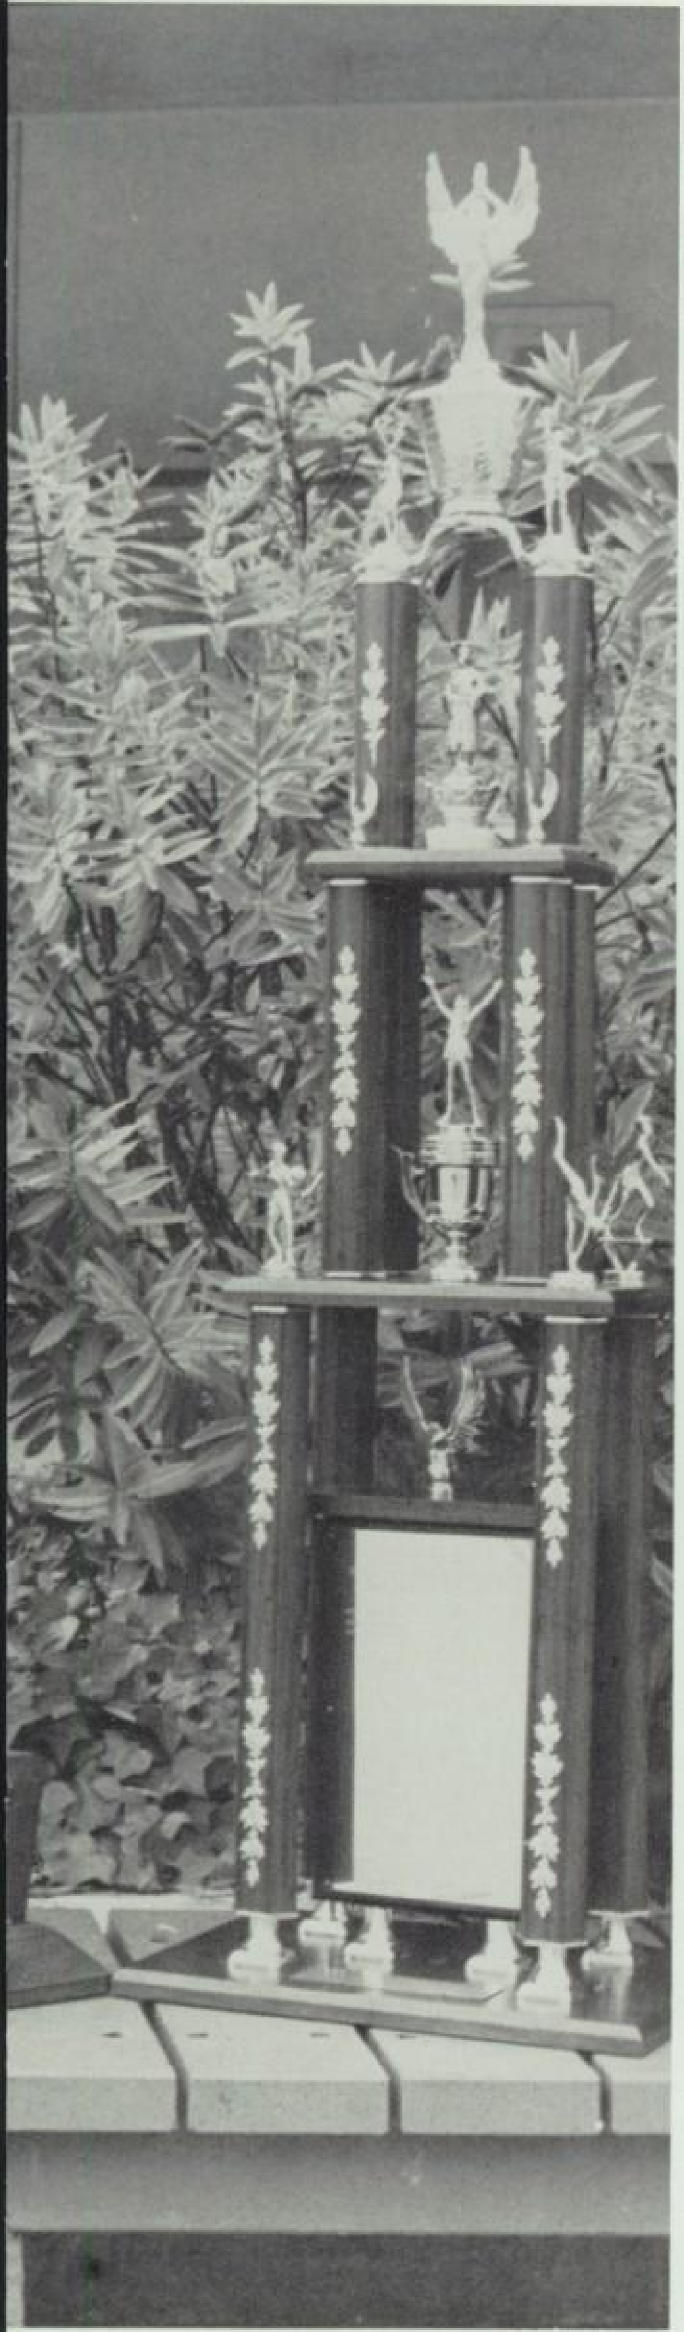
5.) Dana happily approaches the mike.



4

The Athena Award stands for athletic excellence, academic achievement, and sportsmanship. The fourth recipient of this award was Dana Chinn. Dana received a $100 scholarship along with her trophy as did the Titan Award winner. This past year Dana served as co-president of M-Club. She excelled at volleyball and was captain of the girls' track team. She truly deserved the

Athena.

Urban Renewal provided the entertainment for this year's Banana Split Social held on May 5. The 1978-79 student body officers were inagurated that night and this year's officers said farewell to their executive council positions. The Banana Split Social mixed disco dancing and ice cream eating into one

fun evening.

1.) Slow dancing and dreaming about those banana splits.
2.) Urban Renewal provides the funk.
3.) Student body officers can really dish it out.
4.) Marina students rock on.
5.) Melina and John munch out.

"Amazing", "Fantastic", "Really Good", were the remarks heard after seeing the Spring Play held on April 13 and 14.

Sabrina Fair, a comedy, written by Samuel Taylor, was cast by Miss Storm, but due to personal problems, Mr. Brouillette took over the part as director of the play. This was Mr. Brouillette's first attempt at directing a high school play and his efforts were well appreciated.

The setting took place in a New York mansion owned by a wealthy, elderly man (Robert Walker). The plot, based on the return of Sabrina (Missy Sawyer) from Paris, combined comedy, romance, and intrigue. The cast included:

Nancy Schweska
Mary Lasack
Mike Hopkins
Robert Walker
Julie Warshaw
Gary Hansen
Laura Waybright
Missy Sawyer
Mike McCarty
Helen Baptista
Bill Husdon
Mindy Rubio
Dave Otteson
Alan Asbe

Though there were many setbacks such as cast members dropping out of the play close to opening, the cast did a fantastic, professional job. All members of the audience were entertained.

Movies, movies, movies! If a person would have entered the gymnasium on April 24, he would have wondered why there were so many students dressed like their favorite movie stars, seated behind desks, under banners, holding signs, making noise, and eating.

Well, it was Marina's annual Convention. The Convention, held for the purpose of nominating candidates for the Student Body, was organized by Vice President Nancy Schweska. As organizer, Nancy reigned over the convention as chairman, with Karen Chan as the parliamentarian. Delegates were elected by their individual history classes, who also chose their theme.

The Convention ran quite well with the usual disturbances from the Gallery and the delegates themselves. At the day's end, the Head Table officers elected the Wizard of OZ the most outstanding delegation. The results of the day were: Robert Walker and Lora Bertola for Pres., Brian Maas and Alex Ermantinger for Vice Pres., Melody Cho and Jackey Delaney for Secretary, Fay Murphy and Virgina Cramer for Historian, Troy Bronstein and Debbie Quintana for Activities Commissioner. On the 28th, election day, the results were: Lora for Pres., Brian for Vice Pres., Jackey for Secretary, Fay for Historian, and Debbie for Activities Commissioner. These officers owe their success all to the delegates who attended the **convention.**

The class of 1979 did an outstanding job in presenting the Junior Prom "You Light Up My Life". At 9:00 pm Friday April 21, the dance began with the sounds of "White Satin". As the Juniors arrived they walked into the prom through an arbor house into a spring atmosphere. The couples voted for King and Queen and were then escorted by a host and hostess. The decorations were very well put together with a wishing well for couples to wish on as well as balisters to divide the room and paper flower buggies. A mirror Ball was also added to make the setting just right. The Junior Prom was a very memorable night for all as well as being a

great success.

The Class of 1979 held the annual Junior Prom on April 21, 1978. The idea on Junior Prom King and Queen is based on who contributed the most to their class over the years. When the couples arrived, they voted for who they thought deserved the honor of Junior Prom King and Queen. At 10:45 April Gibson, chairman of the King and Queen committee, made the announcement of the winners. The Junior Prom King and Queen were Queen: Carrie Wert, Junior Prom Chairman, and King: Troy Bronstein also a Chairman. Carrie's Court consisted of Juniors: Sandy Conley, Sherry Heasley, Tammy Paulinkonis. Troy's Court consisted of Juniors: Mark Checchi, Fred Indalecio, and Tom King. Everyone felt the honors were **well deserved.**

Just about anything went at the second annual Just About Anything Goes. The competition was held at Pacific High on May 15, 16 and 19. Mr. Robert MacDonald, Activities Advisor at Marina, organized the event.

San Lorenzo High, San Leandro High, Arroyo High, Marina High, Sunset High, and Alameda High were the competitors. The events included the centipede obstacle course, a water balloon throw, the volkswagon push and the tricycle relay. Each team member of a winning team was given a t-shirt with the games printed on them.

At the end of three nights, Arroyo was given the spirit trophy, and San Lorenzo, for the second time, was the over-all winner at

With a long jump, this year's track team was off and running. Thirty boys, mainly freshmen and sophomores, began practice on February 14, 1978. Coach Frank Dominguez started the team off with a series of long, hard workouts to prepare an inexperienced team for the season. Due to rainy weather and work done on the track, the cindermen got off to a slow season practicing in the halls and around the field. Veterans Ron Souza and Jim Ewing returned to aid the team in field events. Long distances were easily overcome by Paul Eckert and Mike Pauselius. Dutch foreign exchange student, Emile Blomme, also running long distance, added personality to the team. Seniors Alan Anderson, Jon Tannehill, and Mike Zemola were all assets to the

young team.

With twenty participants, the girls had a stronger track team this year than in previous years. This year, the Titan girls were coached by Wayne Roberts. Returning varsity hurdler Dana Chinn led the team throughout the season. Long distance runners Debbie Quintana and Kathy Wong added a spark to the team. Freshman Lisa Ratto contributed quickness as did junior Linda Glass. In the field events, Linda Glass excelled in the long jump; while Tammy Tudor, Pam Wall, Cosette Hunt, and Dana Chinn combined efforts to throw the discus and put the shot. The season provided a young team with much

experience.

What were the fads and fashions of '77 and '78? Stick pins were a big thing around Christmas time, and were especially popular when worn with a cowl neck. Coat sweaters had the warmth of a coat and the comfort of a sweater. Boots were in again, but then weren't they always? This time it was popular to tuck your pants into your boots. This achieved a sporty look, and was worn by many. Hair combs were still popular, especially with curly hair. Who was that crazy guy with the balloon animals? Steve Martin, famous for such acts as "Let's get small" and "I'm so mad at my mother." Popular movies were STAR WARS and SATURDAY NIGHT FEVER, which led to Star Wars mania and Disco fever. Hit songs were "You Light Up My Life" and "Staying Alive." New taste treats were frozen yogurt, which got really popular, and bubble yum, because we're still kids at heart.

These things and more, will remind us of our high school days and memories of Marina. These things

we will remember.

Could you imagine traveling over six thousand miles just to go to school? The commute alone, would have killed you. But these six strong willed foreigners from countries such as, Germany, Sweden, Holland, Finland, and Brazil did just that.

These six very friendly and active individuals added to Marinas activities. Holland's, Emil Blomme had many talents and appeared in the Senior Show, Winter Concert, Solo Ensemble and played for Marinas cross country and soccer teams. Lars Gustafsson from Sweden played for the Badminton team, and participated in the Annual Senior Servant Sale. Jouni Summanen and Jurgen Raum were on the Soccer and Tennis teams and were twin gesha girls for the servant sale. Maria Vargas coming late to Marina, joined the choir and did an outstanding job. Joao Ferreira called John came too late to get involved into activities provided by Marina. Both John and Maria were from Brazil.

But school activities weren't their only interest. With their host families they were able to see some of America's most famous and beautiful sights.

Marina felt privileged and proud to have them visit us and we hope they had a good time. All six students had a special

something to give

Held on November 3, 1977, the traditional Senior Sock, Hat, and Silence Day was quite a disappointment. The purpose of this activity was for the Seniors to have a day of fun while promoting Senior togetherness. Unfortunately for the Senior class only twenty people participated in this event. Lisa Laszlo and Diane Coombs won first place for their decorated socks while Jolynn Norcup was chosen as having the best looking hat. This was another example of senior apathy.

Egad, what a show! On March 9 and 10, the senior class presented "Pure as the Driven Snow" or "A Working Girl's Secret". These dedicated seniors put in many long and tedious hours to make the show a success, and was it ever! It was an old fashion melodrama based in the 1890's. The crowd was encouraged to boo and hiss the villian and to cheer and clap the hero and heroine. With the audience participation, it made the show a lot more fun for everyone involved. It will be remembered by all as a night of

old fashion fun.

"Do I hear $5.00?" That was the voice of Mr. Cornwell as he auctioned off the seniors as slaves on March 16, 1978. As a new touch, the sale was held in the Rally Court during lunch time. This was done to get more seniors and bidders participating in this annual event. There were many high bids, with the highest being $16.00 for Tony Aiello. It was as much fun for the crowd as it was for the slaves. With 40 participating seniors and $200 profit, it proved to be a fun and

What a beautiful day it was to hold the 1978 Senior Slave Day which was held on March 17, 1978. It was hard to keep from rolling on the ground in laughter with the way some of the masters dressed up their slaves. Just to name a few, there was Donald Duck, a member from KISS, a harem, 2 lady wrestlers, Aunt Jamima and some Geisha boys. During lunch, all the slaves had to get up on the Rally Court stage and perform for everyone. Some danced, some sang and everyone had fun as they watched the

seniors show off.

Among all of the souvenirs brought home from the 1978 Grad Night, which was held June 9th and 10th, sore feet was one of the most common. While Marina was there from 11:00 Friday night until 5:00 Saturday morning, everyone must have walked around Disneyland at least six times and stood in line for 2 hours at the rebuilt Matterhorn, or new Space Mountain. But it was all worth it. Everyone had a blast being let loose in a child's world for six hours. There were so many different things to do. There were rides, concerts, dancing, shopping, and eating and everyone did them all sometime during the night. But that's what you go there for, to do everything and exhaust yourself. After all, it happens only once in a lifetime that you have your

grad night.

Dance, dance, dance was the only way to describe what couples were doing at the 1978 Senior Ball, which was held at Boundary Oaks Country Club, on June 2nd. With a great band like the Brothers Owens, and your "boogie shoes" on, it was easy to keep "stayin' alive." As couples arrived they signed in, received their memory books, and were escorted to their tables. Decorations were candles in fresh flower arrangements. All Together Now

1) Surprise! You're on candid camera.
2) Tina leads the way.
3) Marina choir pours it out.
4) Connie gets a birds-eye view.
5) Freshmen think high school is exciting.
6) Gettin' it on to the music.
7) Claudia cheers sophomores on.

Putting together a yearbook is not an easy job. It takes a dedicated staff, creative ideas and most important of all the desire to produce an outstanding book. With this in mind Jeff Schultz and I as editors along with the yearbook staff set out with high hopes of making this year's edition of the Timaran one of the best yearbooks ever seen by Marina High School. At the beginning of the year we started out with 240 blank pages and as the year progressed we filled those pages with photographs and memories for everyone to enjoy.

I would like to take this time to express my appreciation and to thank our advisor Mr. Robert MacDonald for all his patience and understanding. Special thanks also go to Mr. Jim Fashinell, our photographer and to Mr. Don Freeman, our Herff Jones Yearbooks Representative.

In closing, I hope everyone enjoys this yearbook as much as I have enjoyed putting it together.

Lisette R. King

After being in Publications for two previous years I've heard all of the comments on how a book should be done from both students and yearbook representatives. Students don't want all "rah-rah" and they want more candids of "regular" people; the representatives want odd picture layouts, copy in active voice, and so on. That's why being editor isn't easy and it's even harder when you want your book to be the best. I was probably a little too hard on quite a few people in Publications but I tried my derndest to get the book just right. I hope you, the student, who made this book possible, like the book 'cause I've done all I can for it. A really special thanks to Don Freeman; Herff Jones doesn't know how good he really is. Jim Fashinell—you've been great to us with 24 hour service on color, and I especially thank you for all of the help and advice you've given me. Lisette—Thanks for your help and ideas. Also Mr. Mac—you've made second period Publications just a tad easier. Thanks again to all who purchased a '78 Timaran.

J. Schultz
